Board Agenda Report

TO: Wheatland Fire Authority Board of Directors

FROM: Art Paquette, Fire Chief

DATE: March 13, 2025

SUBJECT: SURPLUS OF APPRATUS

Background: With the acquisition of the new Type 3 we recommend liquidating both 432 & 467. Both of these equipment are over 45 years old and due to maintenance cost, it would be very beneficial.

Rescue 467 is a 1978 International that is use maybe one time a year. Currently the generator is out-of-service, and the cost of replacing is enormous.

Brush 432 is a 1979 International that has a safety issue with firefighters being exposed to the outside environment, due to seating in the back of the vehicle.

Recommendations: Advertising both equipment for surplus
